1. About Erpoxa Technologies

Erpoxa Technologies LLC ("Erpoxa", "the Company") is an Odoo ERP implementation and consulting partner founded in 2018. We help small and medium businesses digitise accounting, inventory, manufacturing, HR, CRM and e-commerce operations using Odoo, custom modules and integrations. Our headquarters is in Riyadh, Kingdom of Saudi Arabia, with a regional office in Jeddah, a sales office in Dubai (UAE) and a remote development centre.

Mission, vision and values

Mission: make enterprise-grade ERP simple and affordable for growing businesses. Vision: be the most trusted Odoo partner in the Middle East by 2030.

- Customer first - we measure success by our clients' go-live results.
- Ownership - we finish what we start and raise problems early.
- Integrity - we are honest with clients, colleagues and ourselves.
- Continuous learning - every employee completes at least 40 learning hours a year.
- One team - we share knowledge across departments and offices.
