3. Annual leave rules

- Leave year runs from 1 January to 31 December.
- New joiners accrue leave from their joining date; the first year is pro-rated.
- At least 10 consecutive working days must be taken once each year (wellbeing rule).

- Carry forward: maximum 10 unused days can be carried to the next year and must be used by 31 March. Anything above 10 days is lapsed unless the CPO approves in writing due to business needs.
- Leave encashment: allowed only at separation (unused balance is paid at basic + housing rate) or once a year up to 5 days with CFO approval.
- Negative leave balance up to 5 days is allowed with manager and HR approval, and is deducted at separation if not recovered.

4. How to apply for leave (Odoo Time Off)

- Open erpoxa.odoo.com and go to the Time Off app, or use the Odoo mobile app.
- Click New, choose the leave type, select dates and add a reason. Attach a medical certificate for sick leave.
- Submit. Your line manager is notified automatically.
- Approval chain: up to 5 days - line manager only. 6 to 15 days - line manager then department head. More than 15 days or unpaid leave - line manager, department head and HR.
- Notice required: 1 day for 1-2 days of leave, 2 weeks for 3-10 days, 1 month for more than 10 days.
- Managers should respond within 2 working days. If no response, the request escalates automatically to the department head.
- Client-site consultants must also confirm cover with the Project Manager before applying.

5. Sick leave

- Notify your manager before 09:00 on the first day of sickness.
- A medical certificate from a licensed clinic (Seha platform for KSA) is required for any sick leave of 2 days or more, or for sick leave adjacent to a weekend or holiday.
- Sick leave during annual leave: if you are hospitalised or ill for 3+ days while on annual leave, the days can be converted to sick leave with a certificate.

6. Blackout periods

Leave may be restricted for staff directly assigned to a client go-live in the 2 weeks before and 1 week after go-live, and for Finance staff in the first 7 working days of January (year-end closing). Exceptions require department head approval.

7. Public holidays

Public holidays falling within annual leave are not deducted from the leave balance. The list of holidays is published by HR each December and shown in Odoo Time Off.
