7. End-of-service gratuity calculation

Based on last basic + housing salary (the 'wage').

Years of service	Termination by company	Resignation by employee
Less than 2 years	Half month wage per year	Nothing
2 to 5 years	Half month wage per year	1/3 of the full award
5 to 10 years	Half month for first 5 years + 1 month per year after	2/3 of the full award
More than 10 years	Same as above	Full award

Example: basic + housing = SAR 12,500, 7 years of service, resignation. Full award = (5 x 0.5 x 12,500) + (2 x 1 x 12,500) = 31,250 + 25,000 = SAR 56,250. Resignation share 2/3 = SAR 37,500.

8. Letters and documents

- Experience / service certificate: issued free of charge on the last day.
- Salary certificate, employment letter, NOC letter: request via Odoo Employees app (Requests > HR Letter). Turnaround 2 working days.
