1. Health and safety

- Each office has trained fire wardens and first aiders; names are posted near the lifts and in Odoo Knowledge.
- Fire assembly point (Riyadh HQ): car park B, opposite the main entrance. Jeddah: front plaza near the fountain.
- Fire drills are held twice a year.
- Report any accident, near-miss or hazard within 24 hours using the Incident form in Odoo Helpdesk (team: Admin).
- Work-related injuries are covered by GOSI occupational hazards insurance.
- Ergonomic assessments are available on request from Admin.

2. Emergency contacts (KSA)

3. Mental health and wellbeing

Employees can access the confidential Employee Assistance Program (6 free counselling sessions per year), and request flexible arrangements during difficult personal periods. Managers are trained to recognise signs of burnout.

4. Grievance procedure

- Step 1 - Informal: discuss the issue with your line manager (or the next-level manager if the issue is with your manager).
- Step 2 - Formal: submit a written grievance to er@erpoxa.com or via Odoo Helpdesk (team: Employee Relations). HR acknowledges within 2 working days.

- Step 3 - Investigation and meeting within 10 working days; written outcome within 5 working days after the meeting.
- Step 4 - Appeal to the CPO within 5 working days of the outcome. Decision within 10 working days.
- Employees may also contact the Ministry of Human Resources (KSA) through official channels.

5. Whistleblowing

- Report suspected fraud, bribery, corruption, data misuse, safety violations or serious misconduct through the ethics hotline: ethics@erpoxa.com or +966 11 000 0911. Reports can be anonymous.
- Reports are received by the Ethics Committee (CFO, CPO, external legal advisor) and acknowledged within 3 working days.
- Retaliation against anyone who reports in good faith is prohibited and is a disciplinary offence.
- Knowingly false reports may lead to disciplinary action.
